

Management for Health and Social Care Levels 4 and 5

Managing the delivery of Health and Social Care in both the public and private sectors.

By completing these qualifications, learners will gain knowledge and understanding that will enable them to work alongside other health and social care professionals to achieve organisational objectives.

Learners will be required to demonstrate knowledge and understanding of management theories and apply these in various healthcare contexts.

Once you have completed the level 5 Extended Diploma, you can progress to study the final year of a bachelor degree at university or a range of ATHE level 6 Diplomas.

For further information, please speak to your centre or you can email us on info@athe.co.uk

Level 4 Extended Diploma Core Units

- Health and Social Care in Context
- Communication Skills for Health and Social Care Management
- People in Organisations

Level 5 Extended Diploma Core Units

- Facilitating Change in Health and Social Care
- Managing Communication
- People Management
- Research Project

There is also a range of optional units for both Extended Diplomas which allow specialisms and complete the required 120 credits.
