## Level 7 Extended Diploma Pathways

Our revised Level 7 qualification allows learners to specify a pathway in an area of their choice by selecting the relevant modules. The optional Level 7 pathways are:

- Finance
- Marketing
- Managing People
- International

We have two sizes of qualifications at Level 7 - 60 and 120 credits.

This qualification is recognised by a number of Higher Education Institutes, allowing learners to progress to Masters and Doctorate level programmes.

The ATHE management qualification is graded, with learners either failing or achieving a pass, merit or distinction. The revisions provide a flexible route for learners who have already achieved qualifications at a lower level as well as for learners who have prior management experience in the work place.
